

Dir Sirs,  
I am alarmed and incensed by Sinclair  
Broadcasting's blatant use of my public airwaves for  
a ridiculous one-sided slander piece against one  
candidate. This is yet another outrageous  
encroachment by partisan, monied interests into the  
commonwealth of public domain. Please take action  
at once to stop this shabby attempt to use lies to  
subvert our democratic process.

Thank you

Mark Hofeling
